- The Supplier will provide to the Authority any system and general upgrade without charge.

Contract value will be dictated by the following terms

Each EPA agreed and supplied shall incur a cost to the Authority of £800. *Any retakes or resits will incur additional costs to the Authority according to the following terms:

Retake of either element 1: Vocational Observation or element 2: Professional Practice Test - £300

Retake of element 3: professional discussion - £200

Resit of full EPA - £800

Schedule 1 outlines costs and schedule for payments and methods.

*The appropriateness and scheduling of retakes and resits will be arranged in discussion with the assessor and training provider, taking into account the assessor's rationale for the grade awarded for each element.

Payments terms

- The Authority shall provide the required purchase orders in advance to cover the cost of the agreed number of EPAs, retakes and resits for each of the supply windows within the period of this memorandum of agreements set out above.

- The provision of the purchase order will be taken as the contractual promise of payment by the Authority.
- The Supplier shall invoice the Authority the agreed amount provided on the purchase order of the Authority for the services provided.
- All undisputed payments due by the Authority to the Supplier under the memorandum of agreements will be paid in cleared funds within 30 days of the date of an invoice from the Supplier, by telegraphic transfer (or such other method agreed by the Supplier in writing from time to time), to the bank account of the Supplier notified to the Authority.
- In the event that the Authority wishes to query and/or dispute an invoice raised by the Supplier under this memorandum of agreements, it must do so within 14 days of receiving the relevant invoice from the Supplier. Any invoices not queried within this period will be deemed as accepted by the Authority and subject to the payment terms set out in the payment and milestone schedule below. Furthermore, any subsequent invoices issued by the Supplier which are not being queried / disputed will continue to be paid by the Authority.
- Invoicing and payment terms for the Services shall be in accordance with the Funding Rules, ESFA Apprenticeship Agreement for Training Employer's, ESFA Apprenticeship Agreement for Training Providers, the Apprenticeship Technical Funding Guide, and the provisions of this Agreement.
- The Institute for Apprentices may from time to time increase or decrease the limit of the Funding Band. If the Apprentice commences their Apprenticeship after the date on which that increase or decrease (as appropriate) takes effect:
 - the Costs in schedule 1 the Funding Cap will equate to the then current limit of the Funding Band;
 - the Charges will remain as set out in the Apprenticeship Programme (and will not, for the avoidance of doubt, be decreased commensurately with the level of any decrease in the limit of the Funding Band).
- To ensure that payment of the Costs in schedule 1 the Funding Cap is processed promptly, the Authority will select the End Point Assessment Organisation as its provider within the Apprenticeship EAPO Register. The Authority will then agree with the Supplier that it will, without undue delay, upload the Apprentice's learner details to the Apprenticeship Service for the Authority to have the final authorisation (and select the Apprenticeship delivered for the Apprentice) to trigger an automated payment on a monthly basis for all Apprenticeship/Training delivery.
- **Levy co-investment.** The Authority will ensure appropriate funds within the Authority's Apprenticeship Service Account to support the Apprenticeship and will be solely responsible for co-investment costs, in accordance with the Apprenticeship Technical Funding Guide. In the event of insufficient funds and the need for co-investment, the Supplier will require the Training Provider to work with the employer to raise a purchase order for the amount due before delivering the Services.
- The Authority shall be responsible for the payment of the Charges to the Supplier. Without prejudice to the generality of the foregoing, the Authority in that regard agrees to:

- Complete all such documents and perform all such acts as may be required by the Supplier, Authority or the ESFA to enable the Supplier to recover the Charges (other than the Costs Above the Funding Cap, if any) from the ESFA in such instalments of such frequency and amount, and commencing on such date, as is prescribed by or for which provision is made in the Funding Rules. Those acts shall include, (without limitation):
 - confirming the spending of Funding from the Authority's Apprenticeship Service Account (which act may, under the Funding Rules, only be carried out by the Authority); and
 - such acts as may be required by the Supplier to enable it to complete and to claim apprenticeship completion certificates from the ESFA.
- pay the Charges to the Supplier to the extent that the Charges have not been recovered by the Authority from the ESFA.
- The Authority will issue a purchase order to the Supplier, and the Supplier shall send an invoice to the Authority in respect of the Costs Above the Funding Cap, if any, during or following the month in which the supplier requires the Apprentice to first register onto the service in accordance with its normal admission and registration processes. For the avoidance of doubt, time for the delivery of such invoices shall not be of the essence. The Authority shall pay such invoices within thirty (30) days of receipt without set off counterclaim or other deduction.
- The Authority will issue purchase orders to the Supplier, and the Supplier shall send invoices to the Authority in respect of the Unfunded Charges (other than the Costs Above the Funding Cap, if any) on a monthly basis. For the avoidance of doubt, time for the delivery of such invoices shall not be of the essence. The Authority shall pay such invoices within thirty (30) days of receipt without set off, counterclaim or other deduction.
- Where for any reason the ESFA requires the Supplier to return any Payments, the Authority shall pay to the Supplier an amount equal to the sum required to be returned. The Supplier shall notify the Authority of any requirement to return payments to the ESFA and the Authority shall pay such amount to the Supplier within thirty (30) days of such notice without set off counterclaim or other deduction.
- Any and all VAT on sums payable by or to the Supplier or the Authority will be chargeable in accordance with prevailing legislation at the date of any invoice sent by one Party to the other.
- The Supplier shall maintain the Gateway evidence as referred to in the Funding Rules. The Authority will provide necessary supporting information to enable the Supplier to complete this task and procure that the Apprentice provide such information as may be required from them to enable the Supplier to do so.
- The Charges do not include:
 - any fees, costs and charges payable to the Supplier by the Apprentice in connection with their course materials, accommodation or memberships held by them. The Apprentice will be individually responsible for paying any fees, costs or charges payable by them not included in the Charges, including those associated with any clubs, societies and other voluntary memberships; or

- Each Party agrees to comply with the Funding Rules. Without prejudice to the generality of the foregoing, insofar as this Agreement or any part of it is or becomes inconsistent with the Funding Rules, the Parties will discuss that inconsistency and attempt in good faith to agree a variation to the Agreement to cure the inconsistency.
- The Costs Below the Funding Cap, and consequently the Charges, payable in connection with the Apprentice will be reduced to account for any prior assessment (as detailed in the Funding Rules) necessary to achieve the Apprenticeship previously undertaken by the Apprentice.
- Without prejudice to any other rights of remedy available to it, the Supplier may suspend delivery of the Services if payments are not received in accordance the schedule 1 . If sums due remain unpaid for more than 30 days after the Authority has been notified in writing to make such payment then the Supplier may terminate this Agreement with immediate effect by giving notice to the Authority.

Dispute(s) and Resolutions

- *In the event of a dispute arising between the Parties in relation to this Agreement, either Party may serve written notice on the other stating the nature of the dispute (a **Dispute Notice**).*
- *After service of the Dispute Notice, the following procedure shall be followed by the Parties (all periods specified in this clause shall be extendable by mutual agreement):*
 - Within twenty eight (28) days, the Supplier's Representative and the Authority's Representative shall meet to attempt to settle the dispute (each Party acting in good faith);
 - if the Supplier's Representative and the Authority's Representative are unable to reach a settlement within fifty six (56) days from the date of service of the Dispute Notice, the Head of School on behalf of the Supplier and the Managing Director (or person of equivalent standing within the Authority) on behalf of the Employer shall meet within the following twenty eight (28) days to attempt to settle the dispute; and
- If no settlement results from the meeting specified in clause above for the following fifty six (56) days the Parties shall attempt to settle the dispute by mediation (in accordance with the CEDR Model Mediation Procedure) by an independent mediator appointed by CEDR unless otherwise agreed between the Parties, with costs to be shared equally between the Parties.
- *If no settlement is reached the dispute shall be determined by the courts of England and Wales and the Parties submit to the exclusive jurisdiction of such courts for such purposes.*

- *In addition to the process set out in the above, Apprentices, Authority and Employer can contact the apprenticeship helpline regarding apprenticeship concerns, complaints and enquiries:*

Force Majeure

Neither Party shall be in breach of this Agreement nor liable for delay in performing, or failure to perform, any of its obligations under this Agreement if such delay or failure results from events, circumstances or causes beyond its reasonable control. In such circumstances the affected Party shall be entitled to a reasonable extension of the time for performing such obligations. If the period of delay or non-performance continues for ninety (90) days or more, the Party not affected may terminate this Agreement by giving thirty (30) days' written notice to the other Party.

ESFA Contingencies

The Parties shall take all necessary steps to give effect to the ESFA Contingencies in the event of an ESFA Contingency Event occurring. For the avoidance of doubt, giving effect to the ESFA Contingencies shall not constitute a breach of this Agreement.

Term and termination

The contract shall commence on the commencement date and unless terminated earlier in accordance with the terms of this Memorandum of Agreements or the general law shall continue until the end of the term.

Consequences of Termination

- Other than as set out in this Agreement, neither Party shall have any further obligation to the other under this Agreement after its termination.
- Any provision of this Agreement which expressly or by implication is intended to come into or continue in force on or after termination of this Agreement, including intellectual property rights and confidentially as outlined in this agreement shall remain in full force and effect.
- Termination or expiry of this Agreement shall not affect any rights, remedies, obligations or liabilities of the Parties that have accrued up to the date of termination or expiry, including the right to claim damages in respect of any breach of this Agreement which existed at or before the date of termination or expiry.
- Each Party shall promptly return to the other any equipment, documents, information or materials owned by the other Party (or a third party) and used in connection with the Services; and
- each Party shall cooperate in good faith to ensure that there is continuity of assessment such that the Apprentice is not materially disadvantaged by the termination of this Agreement.
