

Scientist Training Programme

Oxford Open Day - 2020

Medical Physics & Clinical Engineering

Come and find out what a career in **Healthcare Science** is really like!

Saturday 4th January 2020, 11am - 3pm

Churchill Hospital, Oxford

The Open Day is suitable for undergraduates in Year 2 and above, or graduates of a Physical Sciences or Engineering degree.

The day will include tours of clinical departments and the chance to speak to Clinical Scientists and current STP trainees

Email **Richard Eames** at richard.eames@ouh.nhs.uk to book yourself a place!
