

STP Medical Physics Open Day

Merseyside Training Consortium

Discover what it's like to work as a Medical Physicist in:

- Radiotherapy
- Radiation Safety
- Medical Imaging with X-rays, CT Scanners, and Nuclear Medicine
- Medical Imaging with MRI and Ultrasound

When: Friday 10th January 2020

Time: 1.30pm - 5.30pm (optional department tour from 4.30pm - 5.30pm)

Where: Clatterbridge Cancer Centre - Wirral

The open day is suitable for undergraduates or graduates studying physical sciences or a related degree who are considering applying to the STP and will provide an opportunity to chat to current trainees.
