

# Digital Team

**Stuart Sutherland**  
**Head of Digital Team, NSHCS**

# Significant 2022 achievements

- Launch of new Curriculum Library application to house and publish the new curricula
- Set up of the new curricula in the e-portfolio
- Face-to-face STP Induction day with 650+ attendees at the ICC
- Conduct of a comprehensive trainers' training needs analysis
- Contribution to the development of and recruitment to the Clinical Data Science Programme with University of Manchester
- Integration of Turnitin similarity detection feature in the e-portfolio

# Ongoing work and 2023 priorities

- Development and launch of reflective practice guidance and resources
- Redesign of Train The Trainer
- The implications for digital services and communications (and school teams) of the sharp increase in trainee numbers
- An assessor recruitment campaign
- Development of new trainee information & management system
- Design of workplace assessment under the new curriculum (and associated digital workflows/systems)
