

# Welcome to NSHCS Education and Training Collaborative

**Professor Berne Ferry**  
**Head of National School of Healthcare Science**

# Context

## Pre Covid

### Three Themed Boards:

- Life
- Physiological
- Physical
- Met 3 times a year face-to-face

High clinical work-load

## During Covid

Very high clinical work-load

### Extraordinary Theme Board

- All themes together
- Met once online

## Post Covid

Still increasing clinical work-load

### Healthcare Science Education and Training Collaborative

#### Annual Plan

- 1 meeting online (Nov)
- 1 meeting face-to-face (Mar)

# Healthcare Science Education and Training Collaborative

## Purpose

Setup to enable collaboration between:

- The Healthcare Science work-based Training Centres;
- The relevant Higher Education Institutions;
- The Professional Bodies;
- The National School for Healthcare Science;
- Academy of Healthcare Science

Thereby ensuring education and training within healthcare science is relevant and of high quality.

# Healthcare Science Education and Training Collaborative

## Function

To inform, review and support the Education and Training of Healthcare Science.

## Objectives

- 1) To reflect what has been achieved within Healthcare Science Education and Training
- 2) To update what is currently happening within Healthcare Science Education and Training
- 3) To influence the future direction of Healthcare Science Education and Training
